From James Humphries
Chairman, Idmiston Parish Council

Fellow parishioners,
Let me begin by welcoming you to this latest newsletter. We have had quite a lot happening in the villages since the last issue that came out in Autumn 2014. For a start we have a new website, a new Parish Clerk and a new Chair!

This introduction from the Chair is typically a show and tell affair. I’d like to change this to a show and ask. I invite you to check out our new website at www.idmistonpc.org which is rich with information about our parish. If there is something you would like to see there – drop a note to the Parish Clerk.

Our apologies that it has taken so long to produce this issue, but based primarily on the efforts of our Parish Clerk, we now have a base from which to be more efficient for future issues.

Tasks being done
Parishioners regularly make us aware of tasks that need to be done around the parish, everything from grass that needs cutting to bins that need replacing or damaged playing field equipment. A frequent discussion item at recent IPC meetings was the broken Give Way-No entry sign at the Gomeldon triangle. I’m pleased to report that this has finally been rectified.

Burial Ground
Whilst we don’t want to think too much about the end of our lives, we want to at least be confident that we can be buried in our parish, should that be our wish. To that end (no pun intended) quotations are starting to come in, with work planned to start on the new burial ground in the coming quarter. Our aim is to be ready for new burials by the end of the year.

Neighbourhood Plan
This is one of the best examples of how the IPC is working together with volunteers in the parish to document the wishes of the parish and give us more control over our local destiny. The feedback received so far from Wiltshire Council is very positive as it progresses through the stages required to be legally binding.

Moving up a gear
We are going to use the feedback received through the Neighbourhood Plan to kick off some new projects, focusing first on increasing the fitness facilities in the villages. We already have a knowledgeable volunteer to help with the project.

So what more can we do for the parish? The simple answer is - much more!
The catch? We are limited by the people we have to do the work. Right now we are a few members down from full strength and although we have good public attendance at our meetings, we have empty seats on the Parish Council.
- Are you someone who could fill one of those vacancies? Come on over and join us.
- Want to help but can’t commit to being a councillor? No problem, just drop a line to our Parish Clerk; details on the website (see what I did there?) and make us aware of you and your skills.
- Got a teenager at home complaining about lack of facilities? Give us their name and mobile number and we’ll get them involved in our fitness project and help them get some work experience on their CV. They might even enjoy it!

We look forward to the upcoming events, including the Produce and Craft show on 5th September and the Christmas themed Quiz on 21st November.

On behalf of Idmiston Parish Council, I wish you all a great summer.

A ‘proper’ job!

A team of Parish Councillors, led by Cllr Roy Gould, who constructed a sturdy prop, erected the prop to stop the Walnut tree in the Idmiston Amenity Area from falling. The tree was planted in 1995 in memory of the VE / VJ day 50th anniversaries.
The Parish Council is made up of fifteen Council members – we currently have several vacancies and would like to recruit suitable people to fill the gaps. If you want to have a say in what happens in the Parish of Idmiston by joining the Parish Council, then here is your chance.

Most people’s impression of what a Councillor does is that they just attend council meetings but, for a dedicated Councillor, nothing could be further from the truth. The duties and pleasures of being a Councillor are many and varied, however it is the ordinary day to day contact with local people in their own community that is the most important part of being a Councillor.

Parish Councils must have a minimum number of Councillors to remain legally enabled to make decisions on your behalf and to allocate locally the funds raised by the Parish Precept, which is paid as part of the compulsory Council Tax. If there is no Parish Council then these funds will be spent by the remote, and less locally engaged, Wiltshire Council.

The Parish Council would like to ask if you would consider taking on this valuable and rewarding role in the community. If you are interested, please contact the Parish Clerk, Jim Slater on 01980 590611 or email parishclerk@idmistonpc.org for further information or an informal chat. Alternatively come along to the next Parish Council meeting.

---

**New Parish Website**

Thanks largely to the work of Parish Council Chairman James Humphries, the Parish now has a new website that is packed with information about all manner of events in the Parish, and which we hope will act as the central point for news and information about what is happening in Idmiston, Porton and Gomeldon.

Parish Council documents including Meeting Agendas and Minutes are freely available to access and download, and we are intending to update the site frequently as new information becomes available. The site has been cleverly designed so that you don’t need to be sitting in front of a computer to read all about things - it also works well on your smartphone when you are out and about.

Go to: [www.idmistonpc.org](http://www.idmistonpc.org) for all the information about Idmiston Parish.

Contributions to the website from Parish Organisations are welcome - send them to parishclerk@idmistonpc.org
Idmiston Parish Council

Village Produce & Craft Show

Saturday 5th September 2015
Memorial Hall, Porton  2 - 4pm
Open to Residents of Idmiston Parish, Parish Youth Groups and children on roll at Parish Schools.

Bring your pre-registered entries to the Memorial Hall between 9.30 and 11.30am
Judging to take place 12 - 2pm
Viewing: 2 - 4.00pm. Refreshments available

FREE ADMISSION
PRIZES AWARDED:  4.00pm
Certificates for 1st 2nd & 3rd
Profits in aid of the Memorial Hall

TO ENTER:
- Choose the categories you would like to enter
- Only one entry per person per category
- 50p per entry
- Entry by pre-registration only, on Tuesday 1st September 6pm - 8.30pm in Small Hall
- Entry forms from Memorial Hall, Korner Kuts, Nisa, Porton Garden Centre, online www.idmistonpc.org and below

Enquiries: email: fundraisers@rosebudd.com      Tel: 01980 555028

Entry form categories - only one entry per person per category

Line Dancing at the hall

On Monday evenings the Memorial Hall is used for LINE DANCING from 7.00 pm to 8.30 pm. Mike and Mel, who run the club, are both fully qualified BWDA2000 dance instructors.

You don’t need a partner for line dancing. Just come along and you will soon make friends; it’s a very friendly club. The music is country and western. It’s good exercise for the body and the brain. It’s also great fun and a laugh. Beginners are welcome.

In fact, as we are having new people starting all the time, Mel is also running a free half-hour session at Laverstock Village Hall on Thursday afternoons from 1.00 to 1.30 to teach basic steps and to start some easy dances. Anyone wanting to join us at Porton is welcome to come along to the free session at Laverstock to learn some basics. Otherwise just turn up on a Monday night; you will soon pick it up. It’s not serious and everyone helps each other.

For couples, we also do COUNTRY AND WESTERN PARTNER DANCING on Monday evenings from 8.30 to 10.00. This is a fairly new group, so there’s no need to worry if you haven’t done any before. It’s a mixture of styles; dances are based on waltz, cha cha, jive, barn dances, country dances to name a few. Both line dancing and partner dancing open up a whole new circle of friends, with social dances around the area at weekends.

Visit our website to get a better idea of what it is all about: www.linedancingsouth-mulepackers.co.uk.
Tel: Mike 01722 717800 or Mel 01722 340054

Salisbury Plain Training Area Newsletter
July 2015

The complete Newsletter can be found at: www.gov.uk/government/publications/salisbury-plain-training-area-spta-newsletter
The DIO Twitter account for news and updates on the Salisbury Plain Training Area uses the Twitter handle #modontheplain. If you’d like to follow us go to: www.twitter.com/mod_dio

Defence Infrastructure Organisation

TRAINING
General Overview:
July will be a very busy month on the Plain with 8 Armoured and Armoured Infantry sub-units conducting low and intermediate level armoured manoeuvre training in a series of 2 week exercises. In addition the Plain will see the largest Armoured exercise in the calendar Ex LIONS STRIKE involving the Combined Arms Tactics Course using the Imber and Larkhill dry training areas from 18th – 23rd July. At the same time four of the Royal School of Artillery courses will combine for their largest training exercise of the year, Ex CROSSED CANNONS during which AS90 and Light Gun live firing will take place. As a consequence Armoured vehicle usage of the tank crossings on the A360, A345 and A338 will increase and with dry weather conditions dust clouds may produce a hazard at these crossings.

- Artillery Live Firing Days from Areas 6, 7 and 8 on the 21st, 22nd and 23rd July 2015
- Artillery Live Firing days on Salisbury Plain (East) 21st July 2015
- Late firing on Larkhill/Westdown Danger Area: 2nd, 7th, 9th, 14th, 15th, 18th, 21st, 22nd, 28th and 30th July 2015
- AS90 Firing from Tilshead, Chitterne, Shrewton triangle: Nil
- Non firing days on Bulford Ranges: 4th, 5th, 18th, 19th, 25th and 26th July 2015
- Note: Ex Crossed Cannons 20th – 23rd July

Upcoming Major Exercises
During exercises access may be restricted on Larkhill Ranges and in the Chitterne – Shrewton – Tilshead Triangle north of the B390.

Low Flying
Information about low flying is available from the MOD Low Flying Advisory Service (0845 600 7580) or on line at www.gov.uk/low-flying-in-your-area

Complaints/Enquiries should be made to 01980 620819.
The hall continues to be used by village groups on a regular basis, there are only three half days in the week when the hall is available - see table below.
Since the last article we have had three major items of expenditure (besides gas/electricity insurance etc.), the floor has been sanded and re-sealed, new LED lights have been installed in the main hall, and a structural survey has been carried out on the hall. Various smaller items of maintenance have taken place during the year, where possible carried out by committee members.

**In good condition**
The good news is that following the structural survey, it was confirmed that the structural elements of the building, which includes walls, foundations and roofs are essentially sound and there is no obvious indications to suggest serious deteriorations or significant structural defects.

The report goes on to suggest some essential maintenance within the next two years:
1) Make good external vertical joints to wall panels with either cement, mortar or mastic
2) Improvements to ventilation to sub floor timbers of main hall.
3) Removal of tree stump behind hall.
4) Repairs to cedar cladding (front porch)
5) Make good external drainage gulleys
6) Provision of heavy duty cover to manhole in driveway
7) Re glazing of door to kitchen with toughened glass
8) Improvements to fire protection and means of escape

**Second phase**
Recovering of flat roof area, better quality door to store room, upgrading of garage/out-building for more storage area.

As you can imagine, all this costs money. Our intention is to forward the report to the developers (Chalk House) requesting the promised funds to carry out the necessary repairs. We will also be pursuing various options re grants available. Another source of income is our 50/50 club and other fund raising activities carried out by our fund raising committee; we would like to thank them for their hard work through the year.

As we requested in the last article please let us know of any breakages or damage - either use the defect book in the entrance or write on the white board also in the entrance.

Finally, I have the sad duty to inform you that Mo Stokes, our secretary until recently, has passed away. We would like it put on record to thank Mo for all her hard work and dedication to the hall over the years.

Over 60s Social Club (Sunshine Club)

We are a club for the residents of our parish and the surrounding villages. Meetings are held on the last Monday of each month in the Memorial Hall, Porton, at 2pm.

Most months we have a speaker, with a social time following the talk. Already this year we have had talks on:
- White horses of Wiltshire
- Recycling - What happens to everything?
- The great train crash in Salisbury.

The July meeting will be a social lunch, and in August we will hold a Garden party. In September we will have a talk from a local charity ‘The Ugandan Project’.

We also have two coach outings a year - our October trip will be to Tolpuddle and Morton.

If you would like more information about the club please ring me. You are very welcome to come along to a meeting to see what it is all about.

Phyl Grant
01980 610263
Since Easter the whole Group have been putting the OUT into ScOUT. Leaders and children look forward to the longer days and the warmer weather. The first always happens, unlike the second which in England can never be relied upon. However the Scouts don’t let the mere weather interfere with their plans so the OUT in ScOUT goes ahead whatever the weather, as you will see.

Easter in the Glebe Hall
Just before Easter the beavers had their annual Beaver Sleepover. During the 20 hours they spent in and around the Glebe Hall they managed to gain lots of badges, Navigator, Explore, Nights Away and Hikes Away. As you may imagine we spent as much of the daylight time outside as we could and the beavers learnt some map reading skills, went on a hike to explore the history of Winterbourne as well as doing all the usual games and craft activities involved at these holidays.

Hiking
On Election Day the Beavers were out and about again, another hike, this time from Figsbury Ring back to the Glebe Hall. Since then at colony meetings they have spent as much time outside playing games and doing activities as the weather allowed. Luckily for us, most Thursday evenings have been dry.

St George’s Day
The whole Group celebrated St George’s Day with the rest of the Salisbury District Scouts at the 900th Anniversary of St George’s Church, Harnham. Scouts from all over the District paraded from Choristers Green in the Cathedral Close to Harnham Recreation ground where after a short service during which all Scouts remade their promise everyone joined in all the fun of a Medieval Fayre. The rain stayed off all day until just as we were packing up!

Cub camp
At the beginning of May the Cub Pack had their annual Summer Pack Camp. We camped at 1st Sandleheath Scout HQ from Friday evening until Sunday afternoon. During the weekend we “packed” a lot into the less than 48hrs we were there. After erecting the tents on Friday evening and getting a reasonable night’s sleep, (for cub camp that is!), Saturday morning found us walking into Fordingbridge to find 1st Fordingbridge Scout HQ. This was part of the “Jamboree On The Trail”. On that day Scouts all over the country were hiking, our own Explorer Unit hiked around the Bourne Valley visiting all the Churches and placing red roses on all the war graves as part of the Scout “Lest We Forget” campaign. Once in Fordingbridge and having had our picnic lunch the cubs found plenty of energy to explore the park, whilst the leaders were happy to sit and supervise! Luckily the cubs still had enough energy to walk back to camp and then still race around the field once they had been revived with some cake! The traditional campfire and sing song ended Saturday.

The theme for Sunday was the Backwoods cooking badge so each cub made their own lunch, cooking it over a campfire despite the drizzle that tried, but failed, to extinguish our fires.

Athletics
19 of the Cubs joined the rest of the District on a sunny June evening to try out some new and some well-loved athletic activities at Salisbury Athletic Track. One or two more activities at a Pack meeting and 19 of the Cubs will have gained an Athlete badge for their Mum (or Dad) to sew on their uniform.

Scouting challenges
Both troops have been out and about too. They have both been honing their Navigating skills, with map reading, compass work and hiking around the villages. For Figsbury Troop this involved a 10 mile hike which started out in torrential rain. Luckily by lunchtime at Old Sarum, the picnics were devoured in sunshine, pizza at Ian’s house was the reward at the end of the return trip. Don’t ever let it be said that the scouts are led by their stomachs!

For 8 scouts from Figsbury Troop this was in preparation for the Expedition Challenge. This is a 2 day expedition which involves hiking from Dinton to Berwick St James.
on Saturday camping overnight at Berwick Guide Centre and then hiking to Old Sarum on Sunday. They carry all their personal kit, food and camping kit with them and it is a real challenge. The 8 scouts did it in style and actually didn’t get seriously lost, (unlike previous teams) on either day - their navigating skills were obviously “up to the mark”! The reward? A large bar of chocolate each!

**District Scout Camp**

Ian, Scout Leader from Idmiston Troop, headed up 12 scouts from both troops at the District Scout Camp at Buddens’ Scout Centre, in Dorset; he was ably assisted by 3 Explorers from our Explorer Unit. During the weekend the scouts took part in canoeing, archery, tunneling, crate stacking, shooting, bridge building and pedal go karts. On Sunday they took part in the Camp cooking competition cooking a 3 course meal over an open fire, the results were impressive.

**Explorers growing**

The Explorer unit continues to grow and now has 19 members and is the biggest unit in the district despite only having started less than 2 years ago. The four latest Explorers were invested at canoeing evening with the Winterslow Explorers, a pyramid was built using the canoes and the Explorers were invested standing on top of this pyramid. They have also been busy with their Sponsored Triathlon Ironman Challenge. This is part of their fundraising for Explorer Summer Camp at Great Towers Activity Centre in August. To complete the challenge they have cycled, run and swam. They ran 85k between them from Winterbourne Park up to Figsbury Rings and back again. Then, another time, cycled from Porton to Archer’s Gate – mainly off-road. Finally they each swam 16 lengths at 5 Rivers during half-term.

Members of the unit are preparing for the Gilwell 24 event, 24 hours of non-stop activities. Last year only one of the unit actually managed to stay awake for the whole 24hrs but then he slept, very soundly! I might add, all the way home in the minibus!

As I write, the unit are very busy preparing for another fundraising event, Explorerfest, which happens this coming weekend, maybe you had tickets and were there? Otherwise I will tell you all about it next time!

**Come and join us!**

If you think that this sounds a lot of fun and just what you are looking for, Explorer Scouts are Young people between the ages of 13½ yrs – 18yrs. They meet on a Friday evening, 7.30pm -9.30pm. Anyone is welcome to come and join us, so spread the word!

Please contact Tony on 01980 611441 or email owenaarcher@btinternet.com for further details.

That’s about it Folks!

Keeping the Bourne Flowing

Wessex Water
Porton Stream Support

The new building next to the primary school is part of a project that Wessex Water is undertaking to increase flows in the River Bourne to aid the river ecology.

You may remember that back in 2013 Wessex Water carried out works by the river bridge at Winterslow Road, and also in the Winterbournes. This was part of an experiment to see whether the introduction of extra water to the river up-stream would have a noticeable effect by the time it reached Porton. To do this they needed to install a flow-gauging station so that any difference in water flows could be measured accurately, and this involved the temporary installation of a thin plate steel weir. To do this the river had to be diverted around the site of the new weir, which entailed huge pumps taking the water around the dammed-off area where the weir was to be installed. The new weir was of precisely known dimensions and allowed the experimenters to accurately determine the rise in flow that occurred when water from the mains near St Nicholas’ School was added. The experiment proved to be a success and small but noticeable increases in the flow of the Bourne took place when the extra water was added upstream. The temporary weir was removed and the longer term project began.
To provide water to customers, Wessex Water pump water out of the ground at three sources close to the River Bourne at Clarendon, Deans Farm and Newton Toney (see Figure 1). Water from these sources goes to customers in Amesbury, Salisbury and along the Bourne Valley.

To pump groundwater, an abstraction licence is needed, which is regulated by the Environment Agency. The licence details how much water can be abstracted and the current licensed daily rates are shown on Figure 1. To put these numbers into context, 1 Ml/d means a million litres per day and 1 Ml/d meets the daily need of approximately 6500 customers. The River Bourne (downstream of Winterbourne Gunner) has a high environmental designation and along with the River Avon, River Wylye and River Till, forms part of the River Avon Special Area of Conservation (SAC). The river is designated for its chalk stream community, with water crowfoot, salmon, bullhead and lamprey.

As part of a process to protect the river ecology, known as the 'Review of Consents', we undertook a study during 2005-2008, to determine how much our abstractions affect flows in the River Bourne. This work showed that during the summer, the flows could be reduced by 20-30%. Such a reduction was deemed as unacceptable by the regulator, fearing an adverse impact on the river ecology.

Consequently the Environment Agency required changes to the Bourne licences of which there are two components, a reduction in abstraction (11 Ml/d) and a new stream support arrangement at Porton (see Figure 2). The reduction in abstraction at Clarendon/Deans Farm will occur in April 2018. After this date an alternative source of water, provided by our water supply grid scheme (www.wessexwater.co.uk/grid) will be available to balance the reduction.

The stream support arrangement involves transferring water from the Newton Toney source, via our distribution network (underground mains pipes), to Porton where it will be added to the river at a rate of 1.5 Ml/d. This water is chlorinated to ensure customers receive water that is free from bacteria. Although harmless to humans, the levels of chlorine in the water can be toxic to aquatic life; therefore, before we can add the water to the river it needs to be de-chlorinated.

The building next to the school contains this dechlorination process, plus control systems to set the flow rate to the stream.

During this and the coming spring/summers, we will be adding support water. On average water will be added for half the year. Formally we are not required to undertake this before 2018, but with the facility in place we are starting to improve river flows from this year.

If you have any questions about the stream support scheme or the other licence changes please email the question to: ian.colley@wessexwater.co.uk

Avon House, Newton Road, Churchfields, Salisbury SP2 7QA
Our volunteers provide neighbourly services to those in need in the Bourne Valley parishes of Cholderton, Newton Toney, Allington, Boscombe, Idmiston, Porton, Gomeldon, the Winterbournes and Hurdcott.

We can help with social needs such as visits to friends and relatives or a pleasant drive to a place of interest. Transport to hospitals, GPs, dental surgeries, hairdressers and shopping etc are also some of the tasks with which we may be able to assist in exchange for a donation to BVLS.

Drivers wanted
Can you help by becoming one of our Link volunteers?
We need drivers urgently. You can choose how much time you are able to give and what tasks you are happy to undertake. Please call the Link number for more information. The scheme is a registered charity; volunteers receive expenses only and users are asked to make a donation in a sealed envelope (according to their means).

If you would like to find out more about the Link Scheme, either to use the services we provide or to join as a volunteer, we will have a stand at Newton Toney fete on August Bank Holiday Monday.

Ring the Co-ordinator on 01980 611117
to use the scheme.

Silver Star back in the valley!

Local bus company Salisbury Reds celebrated 100 years of Wilts and Dorset and its predecessor companies with a fantastic day of vintage bus rides, memorabilia stands and family fun on Sunday 14 June 2015. The day was one of the biggest of its kind, over 60 buses were in use, operating free of charge to the public, on vintage Wilts & Dorset routes. Customers got to experience the old routes and buses, a trip down memory lane for many! Thanks to Paul Bevis and friends we have pictures of a GENUINE Silver Star double decker at Gomeldon, and a London Transport bus, as used by Silver Star, with suitable destination blind and ‘Silver Stars added for the day’ by the LT driver, taken outside PHE at Porton Camp. Both buses were well loaded with enthusiastic passengers. All the profits raised will go to Star’s Appeal.
Josh and Toby from the community payback team did an excellent job on Friday 12th June clearing the wild cress and weeds away from the ford in Porton. Pictures from Alan Harris, who arranged for the work to be done.

Clean up at Porton Ford

Calling all Babies and Toddlers
(From birth to school)

Bring your Mums, Dads, Grandparents or Carers to
- Play with some different toys
- Take part in our weekly craft or activity

There is a warm welcome for all of you at the Memorial Hall Porton every Thursday morning from 10am -12md £2 per family

Why don’t you join us?
Shirley Moores 01980 611614

Porton Toddler Group
As the end of the school year draws ever closer I can hardly believe I have very nearly completed my first year as Head Teacher. We have enjoyed such a busy and varied year, alongside the usual curriculum we have visited Salisbury Playhouse, a community farm and the RSPB reserve to enhance our learning. As I write, some of our Year 5 children prepare to visit Wintershall to watch a spiritually moving re-enactment of the ‘Life of Christ’ and I am sure this will provoke many interesting discussions.

**Sporting achievements**
The children have also flourished in sport this year including athletics, tag rugby, netball, and our Year 5/6 football team reached the county finals in Chippenham, a truly great achievement for a small school. We had the great pleasure of welcoming Ben Rushgrove, Paralympian, to our school to run a fitness challenge, putting children and staff through their paces on a very humid afternoon! Later Ben talked to the children about his disabilities and sporting experiences, we even had the chance to look and hold his silver and bronze medals. He also encouraged the children to try a little harder each time we set about a challenge and this is something we can do whether it be in sport, learning, or in life.

**Music and acting**
Our talented musicians have been working hard with their tutors and are looking forward to performing together before the end of term. Alongside this our key stage two children are in the middle of rehearsals for the summer production ‘Pirates of the Curry Bean’. I have seen a few scenes and the audience are in for a treat, with a mixture of comedy and some amazing thespians in the making!

**Helping others**
Our PTA recently organised a whole school sponsored walk, with Robins Class walking around Porton Village and the rest of the school walking across byways to Boscombe Church where we enjoyed a picnic and were able to explore this very interesting church. We are also making the final arrangements for our Summer Fayre which is a wonderful chance for us to welcome the wider community to enjoy fun and games in a more social way. The money raised from these events will be going towards play equipment and our new library, so thank you to everyone who supports these events.

**Moving forward**
It is always a time of mixed feelings as the Year 6 children look back over their time at primary school with fond memories but also with excitement and nerves as they move onto the next chapter of their life. Many of us remember them in their early years of school and take great pride in seeing how they have grown both academically and as young people. This year they have been fortunate enough to work with local artist Joanna Dewfall, to design and produce some beautiful mosaics which will be laid as a path in the school grounds and will create a lasting reminder of their time at St Nicholas’.

I look forward to keeping you updated during our next school year, as we welcome new reception children and hope to continue to learn, achieve and grow together.

---

Paralympian Ben Rushgrove talked with the children about his sporting experiences.

The year 5 Trip to Wintershall included a re-enactment of the ‘Life of Christ’.

Wiltshire Police News

There are a couple of incidents/reports I would like to cover just to keep you all updated and informed!

Please be aware of door to door sellers!

I have been receiving information in the Bourne Valley specifically the Porton area that a male slim 6ft ginger/fair hair with a tattoo on his neck has been visiting addresses stating that their usual gardener is injured and that he has taken over or that they need their roof tiled.

We have not been able to identify this male as yet so if you do see or hear of anything similar to the above please call 101 or 999 if you believe any offences have been committed.

Below are the Bourne Valley crime figures for June which I believe to be very good although we still need to be vigilant with locking our doors, garages and sheds to prevent any opportunists from stealing anything from your property.

- On 12th June two males were seen making off from a property in Porton with a ladder that they had stolen. Investigations are still underway and possible suspects to be dealt with.
- On 13th June a male caused violence against a taxi driver on the A345. No complaint was made by the driver.
- On 21st June criminal damage was caused to fencing in Gomeldon and wheel nuts loosened on a van.

Many Thanks
PCSO Shona Maycock

PC Ivor Noyce
amesburynt@wiltshire.pnn.police.uk
In the 1920s and 1930s the Assembly Rooms, above what is now Waterstones in the High Street, was the place to dance to the music of visiting Big Bands. With WW2 and the influx of soldiers on Salisbury Plain, the Naafi at the rear of Woolworths in the High Street (now New Look) was given over to the United Service Organisations (USO) for the duration, to provide entertainment for the troops. A further dance hall was above what is now McDonald’s in Winchester Street and the Palais was above Fisherton Working Mens Club in Wilton Road. The Merry Macs entertained in the Cadena Café (now Pizza Hut) in Blue Boar Row and there was a dance floor upstairs in the Lloyds Bank building.

In 1953, the Assembly Rooms in Salisbury were almost derelict and local man John Bright was looking for a venue to bring Chris Barber to the city. He traced the owner, was allowed to take over the venue and people came from far and wide, including a coach from Bristol, to see Chris Barber’s jazz band, paying five shillings entrance fee. Lonnie Donegan brought skiffle to Salisbury but it didn’t last long.

On 22nd March 1958 Buddy Holly and the Crickets appeared on stage at the Salisbury Gaumont (now the Odeon in New Canal). They did three shows, compered by Des O’Connor. They stayed at the George Hotel, which overlooked the High Street and visited the newly opened Soda Bar in Woolworths, just opposite. Dave Dee of Dave, Dee, Dozy, Beaky, Mick and Tich, was in one of the earliest Rock & Roll bands in Salisbury. In fact all played in different local bands before getting together. In 1960 Eddie Cochrane was due to appear with Gene Vincent but sadly they were involved in a car crash. Eddie was killed but Gene headlined in Salisbury three weeks later, in spite of his injuries. Adam Faith appeared in Salisbury and Cliff Richard, first with the Drifters and then the Shadows. When not entertaining, the stars visited sick children in Odstock Hospital. In 1963 the Beatles performed in Salisbury. Brian Epstein tried to cancel the gig as he didn’t think the venue big enough but they had a huge audience – even though the performance was not very good! Cilla Black performed at the Gaumont. The Swinging Blue Jeans were idolized in Salisbury and stayed at the County Hotel. On the same bill, as supporting acts, were the Everly Brothers, Bo Diddley, Julie Grant and the Rolling Stones. In 1964 DJ Alan Freeman compered the “Battle of the Beat” at the City Hall. Ten Feet Five, later to become the Troggs, won. The Beatles filmed part of their “Help” movie at Knighton Down, Larkhill in 1965. They stayed at the Antrobus Arms in Amesbury.

Society Meetings are held on the 3rd Thursday of each month (except August and December) at 7.45pm in the Glebe Hall, Winterbourne Earls.

Future Meetings:
- July 16th: Robert Key, “The Magna Carta and Salisbury”
- September 17th: Tom James, “Clarendon Palace”

Membership of the Society is currently £12 per annum and includes attendance at 10 lectures, plus a monthly Newsletter that includes a summary of the lecture given at the previous meeting. The Society also arranges guided visits to places of interest. Visitors may attend up to two meetings for a donation, before they are asked to join.

Please contact Maureen Atkinson on 01980 611311 or at mea@dial.pipex.com for further information. Website: www.bournevalleyhistory.co.uk

2015 marks the Centenary of the first WI in Wales and England. To celebrate this special occasion the National Federation of WIs and Wiltshire Federation of WIs have organized many events throughout the country and county.

A special centenary baton has been wending its way around Wales & England during this year. To celebrate the arrival of the baton in the county, Wiltshire Federation held a gathering at Wellington Academy in Tidworth in April. The day included workshops in coppicing, clematis care, candle making, and was followed by an afternoon of entertainment with the Redlynch WI presentation of the history of the WI. The day concluded with the very energetic Jo Sercombe getting everyone on their feet singing.

On the 4th June the Albert Hall was filled with WI members from across the country, including a special member from Sandringham, Her Majesty Queen Elizabeth II accompanied by the Princess Royal and the Countess of Wessex. There the Queen took delivery of the Baton on the completion of its journey, and she also addressed the gathering of members.

The Figsbury Group of WIs (of which Idmiston & Porton hold the Chair this year) held their own celebration at Bourne Community Farm with a live broadcast relay of the events in the Albert Hall. The day consisted of a special lunch and a celebration cake and bubbly and lots of friendly banter.

Idmiston & Porton WI continue to be a thriving energetic group with planned speakers or events each month. In August we will be visiting the Mary Rose Exhibition in Portsmouth, in September we will be holding a Garden Party in one of our member’s gardens. The actual Birthday of the first WI meeting held in Anglesey is on 16th September and we are having a talk on the ‘Home Start’ organization, other speakers include Maureen Rose a Queen’s Dressmaker and Peter Raw talking about Antiques. Our special interest groups include the Parish Choir, a reading group, theatre group and a lunch club.

Out meetings take place every third Wednesday of the month at the Idmiston Parish Memorial Hall, at 2pm. For further information please contact me, Valerie, on 01980 610528 or come along to a meeting, you will be made very welcome.

Badminton Club

You may, or may not, know that Badminton is the fastest racket sport on earth with speeds of over 200 mph recorded for a smash. However, here at the Idmiston War Memorial Hall the sport is played at a somewhat more modest pace. The Badminton Club meets at 09:00 hours at the aforementioned hall every Wednesday throughout the year and for the princely sum of £2.50 you can enjoy three hours of Badminton with the occasional pause for tea and biscuits and a lively discussion of world events. We are a friendly club with varying playing standards and welcome anyone who is able to play. Plastic shuttlecocks are normally used but we do have feathered shuttlecocks for those that prefer them (it is the responsibility of anyone who plays to wear suitable footwear). The club usually has about ten regular players (of both sexes) and operate a peg board system to ensure that everyone has the same amount of time on court and the opportunity to play with and against other players during the morning. Due to the numbers of players involved doubles games are usually played.

Ken Bradley 01980 610849
netsnjets@btinternet.com
We meet every Friday from 10am to 3pm in the Bourne Valley Methodist Church Hall, Winterbourne Dauntsey. For a small charge, we provide refreshments and a cooked meal, plus transport to and from your home. New members are warmly welcomed or you may just like to drop in for a cuppa and a chat, to meet everyone.

Recent activities have included entertainment from two local singing groups and a primary school choir, bell ringing, a VE party with wartime sandwiches and cakes (which were most enjoyable!) and a talk on “Keeping Safe” by our local Neighbourhood Police team.

Two afternoons were spent remembering places we have lived and our first jobs. Not all our time is spent indoors. Since January we have all had lunch at a local restaurant and a cream tea at Andover Garden Centre.

Looking forward, there is a visit from local folk group, “Scrape the Barrel, a trip to Winterbourne Primary School for tea and entertainment, a party, with American food, to celebrate Independence Day and entertainment from the Rainbow Brownies. During July and August we will enjoy two afternoons in local gardens and an excursion to a place of interest.

On the first Friday of every month, there is a Table Sale, with home made cakes, books and bric a brac and once a month there is a short religious service led by preachers of various denominations.

Club Friday is truly all about having fun and relaxing with friends. Please contact our Organiser, Mary Lane on 01722 334787, if you would like to know more.
A BIG Thank you to everyone who attended, and helped with, the evening Service on Sunday 7th June in St Michael & All Angels, Winterbourne Earls, as Bishop Edward and Archdeacon Alan licensed and installed Rev’d Peter Ostli-East as Priest in Charge of the Bourne Valley Team.

This marked the end of the process to find an overall leader for the six Anglican Parishes in the Valley, following Rev’d Canon Vanda Perrett’s move in September 2014 to take up her new post at Land’s End. However, it also means that we cannot expect any additional clergy support in the very near future, so Peter remains the only full time priest in the Team at present.

Please do not hesitate to get in touch if there are matters of pastoral concern, or enquiries about Christian faith (see contact details below), but please do bear in mind that resources are thinly stretched, and your patience, understanding, prayers and support will be much appreciated.

Bourne Valley Prayer Tree
If you would like someone to pray for you, or know a family member or friend who needs prayer, why not involve the Prayer Tree, by contacting Ali Joyce, 01980 619195 or email: aliloujoyce@gmail.com with a date when you would like the prayer to begin, and please also let her know as and when the need for prayer changes.

Team Prayer:
Be with us, Lord, in all we do and say,
Visit each home with your peace and love.
Turn all hearts and minds to you, our loving God, in Jesus’ name, Amen

Not just Sundays...
Everyone is welcome to all our Church services and events:
● Prayers at 5.00pm (for approx. half an hour) first and third Mondays of each month, in St Michael & All Angels, Winterbourne Earls
● Wednesdays 9.30am Holy Communion in St Michael’s W Earls (but not during August)

Contact:
For more information about activities at the Anglican churches in the Bourne Valley, please do not hesitate to contact Rev’d Peter Ostli-East on 01980 611350 or by email at: ostlieast@gmail.com or speak to a Churchwarden or any PCC member. There is also a Team website available now, do visit it at: www.bournevalleychurches.org.uk and please let us know what you think...

Remember, the Churches are here for YOU, but we need your presence and support if each Parish Church is to flourish and remain viable.

Trussell Trust still needs our help... please donate now: UHT Long life Milk; Long life Fruit Juice and tinned fish and vegetables are urgently needed. Goods can be left at your local Church, where volunteers will deliver them to the Trust. Thank you

Petanque - aka boules
Now the evenings are getting lighter, why not come and enjoy a game of Petanque at the Vicarage from about 4.00pm on a warm Sunday afternoon? Give us a ring to check it’s on, and bring a bottle and some nibbles, if you wish, to help create a real taste of ‘le Midi’ in the Winterbournes. No previous experience is necessary and all playing equipment will be provided! Call Peter or Mari on 01980 611350 for more information
NB: we hope to include a Petanque event in Newton Toney’s Fete in August, so come and get some practice in before then...!
Family business with many years experience within the industry.

Salisbury Rural Taxi Service
A bookable communal taxi service at bus fare rates.
Serving the villages of Cholderton, Newton Toney, Allington, Idmiston, Porton and more. The Connect2 service picks you up at village focal points. Concessionary free bus passes can be used. To travel without a free bus pass you will need to purchase Zone Tickets from the driver when you board. You must book in advance by calling 01722 505050. Ring for further details.
The Idmiston Parish Neighbourhood Plan was submitted to Wiltshire Council on 12th May 2015. The plan is now undergoing a period of consultation with Wiltshire Council before it is passed to an independent inspector. If it passes the inspection process, all parishioners on the electoral roll will be asked to vote on the plan, and it is hoped that as many people as possible will support it. The complete document is available to view or download from the Parish website www.idmistonpc.org and printed copies are available to consult at The Memorial Hall, the Surgery and Korner Kuts.

Porton Modern Sequence Dance Club

Dance Club first met in the Reading Room in Porton over 60 years ago and was then run by the late Frank Harvey.

The Reading Room was opposite the present Doctor’s Surgery and has now been converted into one of the homes in Byford Gardens.

In 1957, when Idmiston Parish Memorial Hall opened, the Dance Club moved into this new venue. Members have many happy memories of fun, friendship and fancy dress parties. However, very sadly, the club has decided to finish due to low attendance and lack of support in recent times. Members will miss their Thursday evening outings but will look back fondly on their many years of dancing in the hall.

Porton Flower Arranging Group

The group meets at 7pm on the second Wednesday of the month in the Idmiston Memorial Hall, Porton.

We are lucky enough to have our own demonstrator, Jean Pallister. Besides making a flower arrangement at each of our meetings, she also gives us advice and help when we make our own arrangements.

- The theme of the April meeting was ‘Water’- and Members put a lot of thought into this! Some very pretty Spring Landscapes were made, which combined water with spring flowers, foliage, and pebbles.
- In May we took ‘Pot Luck’. Members brought materials to make an arrangement; these went ‘into a hat’ and another member used these materials to make an arrangement. It was great fun seeing how our ideas differed!
- June’s arrangement offered a bit of a challenge, as it was ‘A Book Title’! Even so, a lot of thought went into this, and many different books were on display at the end of the evening.

Dance Club Closes

Neighbourhood Plan

The Idmiston Parish Neighbourhood Plan was submitted to Wiltshire Council on 12th May 2015.

The plan is now undergoing a period of consultation with Wiltshire Council before it is passed to an independent inspector. If it passes the inspection process, all parishioners on the electoral roll will be asked to vote on the plan, and it is hoped that as many people as possible will support it. The complete document is available to view or download from the Parish website www.idmistonpc.org and printed copies are available to consult at The Memorial Hall, the Surgery and Korner Kuts.

New opening times for Wiltshire Recycling Centres

From Monday 13 July 2015 household waste recycling centres will be open from 10am until 4pm, and will close two days per week. Days that centres are closed are staggered so that residents have access to a recycling centre within their area seven days a week.

Village Quiz Nights

Another of our Village Quizzes was held on 9th May at the Memorial Hall. After an enjoyable evening of 8 categories of questions, the winners this time were “A Close Act”. Hot on their heels in second place were previous winners “Avon Ladies”. Thanks to those who attended and for their generosity in the raffle, we made a profit for the Memorial Hall of just over £330.

We are holding another Christmas themed Quiz on 21st November this year so please make a note of the date.

A special thank you to Nisa and Korner Kuts who sell the tickets for us and to those who helped on the day and we hope to see you all again in November.

Carole & Sue

IPMH Fundraisers
fundraisers@rosebudd.com

Porton Ladies Club

We currently have 33 members and meet on the fourth Wednesday of the month in the Memorial Hall, Porton at 7.30 for an 8pm start. Membership costs £13 per year and meetings are then free. Guests are most welcome and are charged £3.50 per evening.

This year we have had a talk from Wiltshire Air Ambulance; a talk about signs and shop names that had an amusing significance; a visit from an animal physical therapist and her dog, and a talk from a stylist and colour consultant who advised on what styles and colours were best suited to us. On 22nd July we will be learning about The Sky at Night.

We usually have a ‘bring and buy’ table and there is always a raffle and free refreshments. We are planning an outing to the Whitchurch Silk Mill and will celebrate the end of the year with our Christmas Dinner.
