

Idmiston Parish Memorial Hall in Porton is a well used and popular community asset serving the villages of Idmiston, Porton & Gomeldon, providing a venue for a wide range of activities.

With the Chalk House development well underway in the village of Porton, the Memorial Hall will be in line for a specific sum of money for improvements (once the building is complete and 50% of houses have been sold) . Therefore, the IPMH Committee, are looking for input and ideas from the community as to the best use for this money and the general future of the hall itself.

We will be holding a
